

COLORADO

Department of Public Safety

Executive Director's Office

2025 Regulatory Agenda

Overview

The Colorado Department of Public Safety submits the following 2025 Regulatory Agenda in accordance with Section 2-7-203(4) of the Colorado Revised Statutes (C.R.S.). This Regulatory Agenda contains:

- A list of new rules or amendments that the department or its divisions expect to propose in the next calendar year;
- The statutory or other basis for adoption of the proposed rules;
- The purpose of the proposed rules;
- The contemplated schedule for adoption of the rules; and
- An identification and listing of stakeholders (i.e. entities, persons, or parties) that may be affected by the rules.

The Regulatory Agenda also includes rules to be reviewed as part of the Department's regulatory efficiencies reviews during 2025, pursuant to the provisions in the Administrative Procedure Act Section 24-4-103.3, C.R.S. These efficiency reviews are scheduled on a regular cycle between one (1) and four (4) years depending on the statutory provisions, stakeholder and department/divisional needs, and state and federal regulations and requirements informing the rule. The Department publishes its Regulatory Review Schedule on its public website.

This agenda is to be filed with Legislative Council staff for distribution to committee(s) of reference, posted on the department's web site, and submitted to the Secretary of State for publication in the Colorado Register. Each department must also present its Regulatory Agenda as part of its SMART Act hearing and presentation pursuant to Section 2-7-203(2)(a)(II), C.R.S.

Please note that, due the regulatory agenda being due on November 1 each calendar year, this 2025 agenda includes regulatory activity that has been planned for November and December 2024 that may not have been included in the 2024 CDPS regulatory agenda.

Colorado Department of Public Safety Divisions and the Offices administered within those divisions included in this agenda:

Colorado Bureau of Investigation (CBI)
