8 CCR 1507-59

Purpose:

This document is developed as a companion to assist in the reading and understanding changes proposed to 8 CCR 1507-59, the Catalytic Converter Identification and Theft Prevention (CCITP) Grant Program Rules. These rules are being repealed in anticipation of the automatic repeal of Section 24-33.5-230, CRS, et. al. 8 CCR 1507-59 has been updated to appear in strikeout font to reflect this intent.

Accessibility Editing Note:

The redlined rules include formatting updates and minor edits not affecting the content, interpretation, or intent to repeal 8 CCR 1507-59 that are necessary to comply with the document accessibility standards required by Section 24-34-802, CRS, and adopted under 8 CCR 1501-11. 8 CCR 1501-11 applies to the Colorado State Patrol through Section 24-34-802 (1) (c), CRS, and requires the CSP to provide information meeting accessibility requirements specified by the Web Content Accessibility Guidelines per OIT's accessibility technical standards. There is no exception for rulemaking engaged solely to repeal existing rules that will be rendered ineffective or moot by statutory expiration.

Changes to these rules to comply with the accessibility standards include changing capitalized text to mixed-case or lower-case text, removing underlined text, increasing font size, enabling hyperlinked text associated with website addresses, and adjustments to the physical paragraph structure of the document to more effectively support bookmarking for electronic reading software.

The Colorado Automobile Theft Prevention Authority (CATPA) Unit of the Colorado State Patrol (CSP) is committed to supporting effective communication and access to these rules by all members of the public.
