Re: Notice of Public Rulemaking Filing with the Colorado Secretary of State and Department of Regulatory Agencies, Public Hearing Information and Invitation for Comments Regarding 8 CCR 1507-22, the “Rules and Regulations Concerning Claims for Reimbursement for the Costs and Response and Mitigation of Hazardous Substance Incidents.”

Dear Stakeholders, Interested Parties, and Governmental Colleagues:

If you are receiving this letter, you have been identified as an interested party or stakeholder having a potential interest in 8 CCR 1507-22, the Rules and Regulations Concerning Claims for Reimbursement for the Costs and Response and Mitigation of Hazardous Substance Incidents, also known as the “Hazardous Substance Incident Reimbursement Rules.”

The amendments proposed to the CSP Hazardous Substance Incident Reimbursement Rules include:

- Document formatting adjustments not affecting the content or interpretation of the rules proposed to comply with the state accessibility standards applicable under Section 24-34-802, CRS. Examples of the adjustments proposed include changing capitalized text to mixed-case or lower-case text; removal of underlined text; use of the word “Section” instead of the “section symbol” (and the substitution of words in place of other symbols); enabling of hyperlinked text; and adjustment of document paragraph formatting to support electronic bookmarking and for use with electronic reading software.
- Insertion of a Table of Contents to facilitate document navigation.
- Updated references to current versions of federal publications; and
- Corrections to website address information for federal documents, CSP sections and programs, and the CDPS Rulemaking Information webpage.

This letter includes a companion document in addition to the redlined copy of the rules. The companion document outlines all proposed changes in the order they appear in the redlined

copy. The redlined rules included with this letter will be filed with the Colorado Secretary of State and the Department of Regulatory Agencies no later than December 15, 2025. Both the redlined rules and the companion document will be accessible online at www.sos.state.co.us and <https://publicsafety.colorado.gov/cdps-rules-and-regulations>.

Responses to the proposed changes and other comments related to this rulemaking are welcome. It is recommended that comments be submitted before the public hybrid rulemaking hearing scheduled for 9:30 am, Thursday, January 29, 2026. However, comments will still be accepted on the day of and during the public hearing. All stakeholders, interested parties, and government colleagues are encouraged to attend the hybrid hearing, where these and four other rules will be presented in person or virtually at either of the two addresses listed below.

- In Person: CSP Academy, Building 100, Carrell Hall, 15165 S. Golden Rd., Golden, CO., 80401, or
- Virtually, using Google Meet Video link: <https://meet.google.com/gkt-vfrw-yyf> or by telephone (from within the US) by dialing 1-716-249-4220 and entering PIN 321 702 583#. More telephone numbers are available for this event online at <https://tel.meet/gkt-vfrw-yyf?pin=5429676448085>.

An active link to the public rulemaking hearing will also be available online at the Colorado Department of Public Safety Rulemaking Information website: <https://publicsafety.colorado.gov/cdps-rules-and-regulations>. Stakeholders, interested parties, and governmental colleagues may also contact CSP Rulemaking Coordinator Angelina Page directly at Angelina.Page@state.co.us to request the hearing link.

Any responses and comments received before and during the public comment period for this rulemaking will be considered and included as exhibits in the record supporting this rulemaking. Comments sent by USPS should be addressed to Captain Michael Carr of the CSP Hazardous Materials Section, at 15065 S Golden Rd., Golden, CO 80401. Comments via email should be directed to CSP Rulemaking Coordinator Angelina Page (Angelina.Page@state.co.us) and Captain Carr (Michael.Carr@state.co.us).

These proposed changes will be filed in accordance with Sections 24-4-103 (2.5) and (3) (a), CRS, of the State Administrative Procedure Act. These rule changes are preliminary; further updates may be made before the public hearing on January 29, 2026. If any additional updates or modifications to these rules are proposed between now and January 23, 2026, an updated

redline version of the rules and the related document will be publicly accessible, in accordance with Section 24-4-103 (4)(a), CRS, and available for viewing or download from the CDPS Rulemaking Information website, <https://publicsafety.colorado.gov/cdps-rules-and-regulations>.

The Colorado State Patrol is dedicated to ensuring effective communication and public access to the rulemaking process. If you have difficulty with or cannot use any of these documents, or if you need additional help, please visit <https://publicsafety.colorado.gov/accessibility-interpretation-and-support> or contact CSP Rulemaking Coordinator Angelina Page at 303-815-9027 or Angelina.Page@state.co.us.

We thank you again for your support and commitment to the rulemaking process.

Sincerely,

Angelina Page, Esq.

CSP Rulemaking Coordinator
